DIVIDE HONORS LEAGUE MEET DISTRICT ONE

PAMPA AND AMARILLO LEAD IN FIRST PLACE WINS

All Winning Contestants Will Go to State Meet at Austin on Special Train.

With Amarillo taking first place in the literary events and Pampa first in athletics, these schools divided the honors of the District One meet of the Interscholastic League, held on the campus of the West Texas State Teachers College here on last Friday and Saturday.

The concluding events of the meet were the finals in debates held in the auditorium of the Administration building Saturday evening. Both the boys and girls debate teams from Amarillo won over their opponents which were the Lubbock and Pampa teams.

Amarillo won seven first places in the literary events to lead in that division of the meet and took second place under Pampa for the track and field events.

Pampa, led by the flashy Martindale, who first placed with individual points totaling 16, scored 40 1-2 points followed by the Amarillo Sandies with 34 points.

In volleyball Panhandle took first against Quitaque which finished second. The Amarillo tennis teams, boys' doubles and singles, girls' doubles and singles, won all the honors of the tennis division.

One of the largest crowds that ever attended a district field and track meet viewed the brilliant stars that flashed across Buffalo field Saturday afternoon in the finals of the meet.

Following Martindale of Pampa, high-point man, came Windom, Spearman's great star, who was second with 15 counters. He took first place in all events in which he entered, the pole vault, high jump and broad jump. Other stars were Bufkin, Amarillo; Caldwell, Farwell; Lard and Ayres, Pampa.

Amarillo's star, Bufkin, was disqualified in the 440 by misjudging the distance between him and Lard, the Pampa flash, and fouled in cutting in front of him on the turn. Caldwell of Farwell, former one-man team from Oklahoma Lane, showed himself to be the best quarter miler in the district.

The finals were run off in record time, the only delay being occasioned by a shower just at the finish of the meet which delayed the meet some three quarters of an hour. Below is given the final (Continued on page 5)

Berryhill Will Give Two Recitals During Next Week

Robert H. Berryhill will appear in a concert to be held here on the evening of Tuesday, May 5, which will be held under the auspices of the Musical club of that city. Ardelle S. George, director of the Hereford Municipal chorus, will be the assisting artist on the program with Mr. Berryhill.

In response to an invitation from Ellis B. Hall, conductor of the Amarillo Symphony orchestra, Mr. Berryhill will appear on the program with the orchestra, which will be given in the Municipal auditorium in Amarillo on the evening of May 7. This is the first time that such an honor has been extended an artist from Canyon.

GIRLS GO TO LUBBOCK

Home Economics Rally Held There Four From Canyon Attend.

This is an important week for four Canyon girls who are to represent their respective home economics classes at the Home Economics Rally which is being held at Lubbock this week.

The rally is under the direction of the State Board of Vocational Education, and Edna Irene Bandy, Ina Thomas, Dora Miller, and Eliene Meyer will go from the vocational home economics classes of the Training High School. They will be accompanied by their teacher, Miss Corrella Nuzum.

Miss Marion Northington and Miss Cleo D. Holmes of the college home economics department will go to Lubbock Thursday night to judge in the contests on Friday. They will return to Canyon Saturday.

Mrs. Homer White and sons, Richard and Donald, of Borger spent the week end in the C. B. Shepherd home.

Hill and Jarrett Attend College Association Meet

President J. A. Hill and Dean R. P. Jarrett returned Sunday from Austin where they attended the annual meeting of the Association of Texas Colleges.

The most interesting business which came to the attention of the association was the report of the permanent commission on athletics. This report was adopted almost as presented and will have the effect of making athletics in Texas colleges much better managed than heretofore.

Two other subjects discussed at the meeting were the matter of granting scholarships to high school graduates, and the mathematics admission requirements of colleges. A committee was appointed to study the first problem.

Dr. Hill said that the outstanding address of the meeting was that made by Dr. G. D. Dealy of the Dallas News, who discussed "The Meaning of a Real Education."

President H. Y. Benedict of the University of Texas, was host at a luncheon which was attended by Dr. Hill. The purpose of this conference-luncheon was better articulation of graduate work of the University of Texas and undergraduate work of the State Teachers Colleges.

Rotarians Talk Of Conference Held At Plainview

Results of the various group meetings of the forty-first district conference of the Rotary International were discussed at the local Rotary club luncheon Tuesday.

President Doug Shirley spoke on the executives conference; Oscar Gano on the community service; Albert Terry on the club service; Earl Robbins on the secretaries conference. Some of the high points in the speeches given by the outstanding men present were mentioned.

A letter to the club from Rotary Ann Ingham was read by the president.

The following visitors were present Tuesday: J. O. Burroughs, Lubbock; Arthur Osgood, E. W. Little, I. H. Davies, C. T. Herring, B. E. Masters, M. W. Cunningham, and Carl Makig, all of Amarillo.

Carruth Heads New School Body Organized Monday

Meeting in Amarillo, Monday night, 30 Panhandle High School superintendents formed a tentative organization for school superintendents. Supt. Irby Carruth of the Canyon High School, was named head of the new association. Besides being president, Mr. Carruth will have charge of directing the publicity of the association.

The new group will be known as the Plains Superintendents Association. It will embrace the territory from the northern boundary of the Panhandle to as far south as Lubbock.

Another meeting is set for May 16, to be held at the Amarillo Hotel, at which time the organization will be perfected and the committees that were appointed Monday night will be heard and a set of by-laws and a constitution will be adopted.

The object of the association will be to study and know the problems of the various schools of the Panhandle and to aid in raising the scholastic standards to a higher level in this section of the state. It is planned to have some of the educational leaders of the nation to address the body at its various meetings which will be held at frequent intervals. The organization will begin to lay plans at an early date to help Amarillo entertain the State Teachers Association which will meet there in November.

Mr. Carruth states that it is expected to increase the membership of the association to 200 members.

HUNDREDS VIEW EXHIBIT OF CANYON HIGH SCHOOL

Hundreds of Canyon people and visitors here attending the district league meet here last week stopped to view the large exhibit of the Canyon schools which was in the window of the Warwick Printing Company. A display was arranged in the window last Wednesday evening and remained until Monday morning. This included work from every department of the high school and from almost every grade in the grammar school.

Mrs. Sam Braswell of Clarendon, is visiting in the home of Rev. and Mrs. J. H. Braswell this week, while Mr. Braswell is attending a Lions meeting in Port Arthur.

NEAR 300 CLUB WOMEN ATTEND SHORT COURSE

SECOND ANNUAL ONE-DAY SHORT COURSE HELD

Home Demonstration Club Women from 20 Panhandle Counties Hear Speakers.

Despite a drizzle of rain nearly 300 Home Demonstration club women gathered here Tuesday for the second annual one-day short course held for them through the co-operation of the department of Home Economics of the college and the Home Demonstration division of the Extension service of A. and M. Home Demonstration Agents and club women were present from the following counties: Randall, Deaf Smith, Collingsworth, Donley, Castro, Carson, Motley, Lamb, Hardeman, Hale, Hall, Potter, Farmer, Armstrong, Gray, Lubbock, Floyd, Hemphill, Swisher and Dickens counties.

The forenoon session was featured by an address by Dr. J. A. Hill of the college in commending the work of the Home Demonstration clubs, and the girls' 4-H clubs. He emphasized the great material help which the county Home Demonstration work has been and commended the vision which makes the leaders realize that there must be great emphasis on things spiritual as upon material importance if farm life is to be satisfying.

Mrs. Maggie W. Barry, of the Extension service gave two addresses during the day. Prof. Wallace R. Clark, head of the music department of the college gave an address on "Appreciation of Music in the Home."

The day's session closed with a short music program by the Buffalo band and a short one-act play which was given by the Panhandle Players. The play was directed by Miss Mary Morgan Brown, head of the speech department of the college.

Following the finals in debates, held Saturday night, W. E. Lockhart, director of the league work in this district, announced that the winners of first place in all the events would be entitled to participate in the state events.

The special will leave Amarillo at 8:30 p. m., Wednesday, May 6.

Mr. Lockhart declared that this was one of the most successful undertakings the college has ever staged and by far one of the finest district meets ever held. Every division of the meet moved with ease and efficiency. "The co-operation of the teachers," he stated, "as well as the participants in the meet was splendid."

WILL GO TO FT. WORTH

McIntosh and Hill Aid in Plans For State School Meet.

Friday, President J. A. Hill will leave with Superintendent W. A. McIntosh of Amarillo for Fort Worth where they will meet J. C. Cochran, president of the Texas State Teachers Association to make tentative plans for the meeting of the great organization at Amarillo November 26, 27, 28.

The College is making elaborate plans for meetings of ex-students, a large banquet and many other features during the coming fall meeting. This is the first time that the state association has ever met in the Panhandle.

C. B. WHITE BURIED AT SHERMAN, A FORMER HOME

C. B. White, who has been a resident of Canyon for the past year died in a hospital at Wichita Falls on Wednesday, April 21, following a brief illness of pneumonia. He was born in Collin County, Texas, October 1, 1889. He was a member of the First Baptist Church, Sherman, and a Mason.

He is survived by his wife, his father and mother, Mr. and Mrs. F. M. White, Canyon; a brother, Paul White, Canyon; and three sisters, Mrs. Homer Kyle, Portales, N. M.; Mrs. F. M. Adams, Quanah; and Mrs. A. P. Sanford, Childress.

Interment was at the West Hill Cemetery, Sherman, services conducted by the Masonic Lodge, April 24.

Add Another Scholarship To Agri. Department

A scholarship, to be awarded to a student doing outstanding work in the feeding of dairy cattle, or the feeding of beef cattle, has just been presented to the Agricultural department of the West Texas State Teachers College by the Hardeman-King Milling Company of Amarillo.

The scholarship has a value of \$100. The person to hold it will be nominated by the Agricultural Council of the College, subject to the approval of the college scholarship committee.

According to Professor Frank R. Phillips this is one of several scholarships which will be available to students who are primarily interested in learning and developing the agricultural resources of the Panhandle region.

Cecil Newberry underwent an operation for appendicitis at St. Anthony's hospital in Amarillo Monday of this week. He is reported to be convalescing quite nicely.

Rainfall Great Help to Farmers

Rainfall in Canyon so far this week had amounted to 1.14 inches when the precipitation was measured in the government rain gauge here this morning. Total for the month is 1.74.

The rains have been general over all the Panhandle and western Texas this week. Livestock men and farmers have rejoiced to see the amount of rainfall. Pastures will be greatly benefited by the rain and many wheat farmers declare that the moisture will be sufficient to make the wheat crop.

County Agent W. H. Upchurch stated this morning that the rain was wonderful aid to farmers and that he expected that a number of farmers would begin planting feed crops as soon as the fields would be dry enough. However, he said that it was early yet for planting feed crops, but as so much of the land was already prepared he expected to see a number of farmers plant soon.

"Prospects were never better for a wheat crop, although anything can happen before it is harvested and in the elevators," he declared.

Winners of Meet Here Get Trip To Austin on May 6

Thirty-one high school students representing the winners of the literary events of District One, will board the Interscholastic League special, scheduled to leave the Panhandle for the state meet on the eve of May 6. These, together with the winners of the track and field events and the tennis matches, will represent the Panhandle against the rest of the state for honors at the state meet, which will be held in Austin.

Following the finals in debates, held Saturday night, W. E. Lockhart, director of the league work in this district, announced that the winners of first place in all the events would be entitled to participate in the state events.

The special will leave Amarillo at 8:30 p. m., Wednesday, May 6.

Mr. Lockhart declared that this was one of the most successful undertakings the college has ever staged and by far one of the finest district meets ever held. Every division of the meet moved with ease and efficiency. "The co-operation of the teachers," he stated, "as well as the participants in the meet was splendid."

Finals in the literary events were:

May Open New Park Site On Saturday, May 16

May 16 has been tentatively set for the opening of the Palo Duro Park, according to action taken by the directors of the Canyon Chamber of Commerce yesterday.

This date was chosen because it will be the last day of the West Texas Chamber of Commerce meeting at Lubbock and many cars will be passing through and will find it convenient to make a side trip to see Palo Duro. The opening is conditioned upon the completion of the road, but the county officials point out that this will easily be possible if the weather conditions are at all favorable. From inquiries which are reaching business men of Canyon and others it is evident that the little park which has been made possible by the action of the local Chamber of Commerce and the Randall county commissioners court will bring hundreds of people to this region during the summer.

A committee composed of L. N. George and J. W. Kleinschmidt was appointed to complete the plans for such fence as is now necessary to the Palo Duro Park.

Dr. Harris Cook suggested that it would be possible to get Palo Duro Park and Canyon designated on the road maps which are furnished by oil companies and other concerns which assist the motorist and that such designation would bring many visitors to Canyon and vicinity. This matter will be taken up at once.

As rapidly as they can be financed signs will be placed in Canyon and at other points directing visitors to the park and arrangements will be made to have them instructed as to the use of the place.

When the automobile in which she was riding was struck broadside by a car driven by two young men when turning at the northeast corner of the college campus near the Kerr House and the president's home, Mrs. Laura Saunders, second and third grade teacher in the W. T. demonstration school, was severely injured Friday night.

Hattie M. Anderson, Ima Barlow, and Marion Northington, all of whom were also in the car with Mrs. Saunders, escaped with slight injuries. All are W. T. faculty members.

Mrs. Saunders was removed at once to a hospital in Amarillo, suffering from shock and a broken collar bone.

Mr. and Mrs. Jasper Atkins of Canyon and Mrs. H. C. Kyle of Portales, returned Sunday from Sherman where they attended the funeral of a relative last week.

GREAT PLAINS TRACK MEET TO BEGIN FRIDAY

TENNIS MATCHES WILL BE FIRST FEATURE OF MEET.

A. C. C. and Oklahoma Central Crews Promise to Show Speed on Long Races Saturday.

Tennis matches will mark the opening of the annual Great Plains Track and Field meet to be held at the college this weekend. The tennis matches between teams from the colleges of the southwest will begin at 9 a. m. Friday morning, providing that the ground is not too wet. Coach Burton stated Wednesday.

The tennis division of the meet offers an unusual attraction this year. Central Teachers College of Oklahoma is sending two doubles and four singles teams. One of the doubles men, paired with his brother, won the Oklahoma Intercollegiate championship last year.

Randolph College of Cisco, Texas, noted for their strong tennis teams will send a quartet of tennis men and a single entrant in the track division.

New Mexico Institute will also send four men. Texas Tech and Amarillo College are expected to enter men in the tennis division, but the entries had not been received Wednesday morning, Burton stated.

West Texas will enter Wallace O'Keefe, Ira Clark, Marvin McCuan and Winifred Fowler. With the exception of O'Keefe, these men are playing their first year under Lockhart, who has produced championship tennis teams in the past.

The Abilene Christian College track squad, which has held the championship of the cinder path in the T. I. A. A. for the past two years and which is hoped to repeat this year, will present an array of stars in the meet.

GIVE AMARILLO PROGRAMS

Hill and Quartet of College Musicians Entertain

Miss Alice Dawes, Bill Dawes, Bob Clark and Alvis Yarbrough accompanied President J. A. Hill to Amarillo Wednesday and assisted him in giving a program to the pupils of the Amarillo High School.

At noon the same group gave the program for the weekly luncheon meeting of the Amarillo Realtor's club. Mr. Hill reported that his entertainers were enthusiastically received at both programs.

CONGRESSMEN FAIL TO VISIT PALO DURO CANYONS

The congressional party scheduled to visit the helium plant in Amarillo and make a short trip to the Palo Duro Canyons last Thursday, changed their plans upon arrival in Amarillo Wednesday night.

They made a night visit to the helium plant and went from there to Carlsbad, N. M., where the final blast was made to complete the opening for the new elevator shaft to be installed in the caverns. It was planned, had the party stopped here to make a visit to the 640 acres of land recently leased by the local chamber of commerce.

MRS. HEIZER IMPROVED

Mrs. W. E. Heizer, who underwent a major operation at Temple recently, is reported to be much improved. She, with her daughter, Mrs. A. E. Terry, who has been at her bedside, expect to return to Canyon next week.

Mrs. Saunders Hurt In Car Accident Here Friday Eve

When the automobile in which she was riding was struck broadside by a car driven by two young men when turning at the northeast corner of the college campus near the Kerr House and the president's home, Mrs. Laura Saunders, second and third grade teacher in the W. T. demonstration school, was severely injured Friday night.

Shirley Returns From TIAA and College Meet

Registrar D. A. Shirley returned Monday from Denton and Austin where he had attended the meeting of the Texas Intercollegiate Athletic association and of the Association of Texas Colleges.

Upon his return, Mr. Shirley said that the meeting was one which promises to have far-reaching effects so far as the athletics of Texas colleges is concerned.

A committee had been appointed to revise the constitution and by-laws of the T. I. A. A. The revision made the eligibility rules of the association conform to the standards set by the Association of Colleges and Secondary Schools of the Southern States, to which W. T. and most of the other colleges belong.

Ray V. Davis announced this morning that he would give each adult who called at his studio Saturday a free postcard picture of the Palo Duro canyon. This will be given with the assurance that the card will be mailed to a friend or relative living at a distance from Canyon and inviting them to come and see the wonders of the canyons. There are no strings tied to the offer other than to mail the cards to friends or relatives. He is doing this he states to widen the publicity of the Palo Duro.

OFFER BARGAINS FOR TRADES DAY SATURDAY, MAY 2

CANYON MERCHANTS PLAN TO ENTERTAIN BIG CROWD

Most Elaborate Array of Bargains in Merchandise of Every Line Is Offered

"Down with prices up with value." That's virtually the statements of the Canyon merchants in announcing their special bargains for the May Trades Day to be held in May 2. The Trades Day of April was such a success that the business firms plan to offer bigger bargains than ever.

One of the biggest crowds seen in Canyon for several months is expected Saturday. The change from holding the Trades Day sponsored each month by the Canyon Chamber of Commerce, from the last Monday to the first Saturday each month was received with wide approval last month.

From the array of bargains advertised for Trades Day it is believed that the list as a whole is far greater than anything offered this year. Merchants are offering timely, reasonable and standard merchandise at prices far below the normal selling prices.

Every person living in the territory of Canyon will find it to their advantage to shop in Canyon Saturday. A wonderful savings can be obtained on practically every commodity to be needed in the home. Plan now to trade in Canyon.

As an entertainment feature the rodeo which was postponed from the last Trades Day will be held, beginning at 1:30 p. m. It will be held in the college park addition west of the Amarillo highway. Cash prizes will be given. It is said that a string of Mexico horses will be brought here for the occasion. Admission will be free. Those who plan to enter the contests should make application to Charles Stratton by noon Friday.

Ray V. Davis announced this morning that he would give each adult who called at his studio Saturday a free postcard picture of the Palo Duro canyon. This will be given with the assurance that the card will be mailed to a friend or relative living at a distance from Canyon and inviting them to come and see the wonders of the canyons. Miss Charlton Will Make Trip To Mexico City

Miss Agnes Charlton of the Spanish department of the college, will be one of those who will go to Mexico City on the special trip which is being sponsored by the Amarillo News-Globe under the auspices of the Tri-State Fair.

The special will leave Amarillo May 16 and will return May 23. The purpose of the trip is to invite the president of Mexico to attend the Tri-State Fair next September.

En route the party will stop at Austin, cross the international boundary at Laredo and stop at Monterey. Two full days and nights will be spent in Mexico City visiting the Mexico Industrial and Aeronautical Exposition and the delegation will be the guests of the Mexican president.

More than 75 had signed up for the trip about the middle of the week. Miss Ida M. Farrell, editor of the Amarillo Booster, which is published in the Canyon News plant, will make the trip.

LILIAN CASH IN SERIOUS CONDITION AT SHERMAN

Word was received here today that Miss Lilian Cash, daughter of Mr. and Mrs. Harvey Cash of this city, is in a serious condition following a major operation performed April 21 at the St. Vincent's hospital at Sherman. Mrs. Cash has been with her during the time and this morning her sister, Mrs. O. J. Laas of Plainview left to be at her bedside.

Miss Cash has been teaching in the public schools of Bonham this year.

**THE FINAL WINDUP**

By Clyde W. Warwick
(Representative 123rd District)
Newspaper correspondents in Austin are predicting as to bills which will be passed during the coming two weeks by the 42nd Legislature and which class of bills will remain untouched at the end of the session.

One guess is as good as another for no one knows what peculiar tangent is likely to result in the final wind up of this legislative session.

It is freely predicted that some kind of a congressional redistricting bill will be passed this session, but it is very unlikely that redistricting will follow so far as the State senatorial and State representative districts are concerned.

Among the most important bills which are likely to go into the discard are the much discussed public utility commission; conservation and proration oil commission; cotton acreage control; judicial redistricting; income tax; single primary reform bill; regulating pipe line rates; prison relocation; split tax payments; repeal of six year scholastic age.

The above mentioned are given on the supposition that the Legislature will close on May 12th, the end of the 120 day period. However, sentiment seems to prevail that the legislature will remain in

session until about the 20th of May, in order to save some of the important measures.

The public need have no further fear as to the bulk of accomplishments of the 42nd Legislature. Bills have been rapidly passing during the past week until it is now estimated that more laws will be placed on the statute books by the 42nd Legislature than any previous session. More bills have been introduced this session than usual, due perhaps very largely to the prevailing economic conditions in the State. More bills have been killed by committees than ever before, due largely to the radical nature of these measures.

A number of tax raising measures are pending which may not be considered owing to the fact that the tax on natural gas and cigarettes will bring in about as much additional revenue as it seems would be needed by the State government to take up the deficiency and meet the increased cost of government.

The passage of the cigarette tax was very clearly a victory for the school interests of the State. Never before has such a flood of telegrams and letters descended upon the legislature as came from those interested in the public schools seeking to tax the smokers of the State for the benefit of education. The Governor has signed this bill which will raise from six to eight million dollars annually.

Constitutional amendment proposals have had rather hard sledding in this session. More than fifty measures were presented and while several are yet pending the majority have been killed and will not be submitted to the voters.

Governor Sterling has signed the insanity bill which seeks to eliminate all or a majority of the pleas of insanity made by criminals condemned to the electric chair. The practice has been so grossly abused as to cause a great expense to the State.

Just how well the institutions and departments of the State will fare as to appropriations during the coming two years will largely depend upon the action of the free conference between the House and Senate and the action of the Governor when the bill is finally passed and submitted to him for action. It is usually the custom to hold these free conference reports until near the end of the session, but it is hoped this year the bills will be finally passed so the Governor may act before the end of the session. The House Appropriation committee has been very economic in its recommendations

but not so much as many of the members would like to see. These fights are always made by certain members regardless of the totals in the money bills passed.

The Senate is wrestling with the truck and bus bill passed by the House.

It is recognized that these bills as passed by the House do not fulfill the needs of many sections of the State. Instead of regulating the trucks, they do, as a matter of fact, turn loose the trucks in addition and allow the railroads to own a system of truck lines which it is said would soon monopolize the truck business.

Adequate regulation of the highways is the most difficult problem confronting legislative bodies in every State in the Union. Linked together with highway construction and maintenance, regulation is a most serious and perplexing problem.

Both houses of the legislature has passed the law repealing the Sunday motion picture bill and authorizing local option upon this question. This will give every city an opportunity to vote as to whether or not it desires to have the picture shows open after one o'clock Sunday afternoon. The old law was impossible to enforce. The new provision, if signed by the Governor will certainly give everyone an opportunity to decide whether or not the shows will run. There is no use to have laws on the statute books which are not and cannot be enforced.

Jowell News

Rev. Lindley of Tulla filled his appointment at Jowell Sunday. Rev. Lindley is also holding meetings here every night this week.

A number of ladies gathered at the home of Mrs. R. F. Bratcher Thursday for a quilting. Those who enjoyed the day were: Mrs. J. J. Baur, Mrs. Elmer Baur, Mrs. Gottlieb, Mrs. Ernest Gottlieb, Mrs. Charles Baur, Mrs. Louis Harvey, Mrs. Roy Roberts, Mrs. Ervin Baur, Mrs. J. J. Leavitt, and Mrs. Ralph Bratcher.

Mr. and Mrs. H. Burtz and daughter, Ruth and Miss Modelle Wilkins of Canyon, took dinner with Mr. and Mrs. Claude Fewell, Sunday.

Mr. and Mrs. T. B. Cox and children visited with Mrs. Cox's parents at Tulla, Sunday.

Mr. and Mrs. W. D. Mayben and Mrs. Curtis Weathersbee of New Mexico, and Mr. and Mrs. O. V. Mayben and daughter of Canyon, visited at the homes of J. J. Leavitt and T. B. Cox, Monday.

Mr. and Mrs. A. L. Glenn left Saturday for a few days visit at the home of Mrs. Glenn's parents, Mr. and Mrs. Pace at Floydada.

Mrs. Bob Sims and Mrs. H. Abney called on Mrs. J. J. Leavitt, Friday.

Mrs. O. Smith is visiting with relatives this week.

Mr. and Mrs. Earl Davis were in Canyon, Friday.

Quite a crowd came out to witness the ball game Sunday between the Jowell boys and the Happy fire boys. The score was 12 to 13 in favor of the Happy team.

Mr. and Mrs. W. H. Lowe were shopping in Amarillo Saturday.

Mr. W. D. Herring of Plainview is in this community this week.

W. Fewell and children motored to Plainview, Friday, to visit with his daughter, Mrs. C. P. White who was in the sanitarium there.

Louis Irbeck and son, Henry, were in Canyon on business, Saturday.

R. F. Bratcher and son, Clarence, made a business trip to New Mexico last week.

THE WEAKY

What might be termed just a little less than a riot broke loose in Canyon last week when it was learned that Ed Mickie shot a "39" on the club course on Tuesday afternoon. However, it quieted down quickly when it was learned who Ed was playing when he made such a score.

It seems that rumors of all kinds can be originated on the golf course just the same as they can on the creek banks when a fellow goes fishing.

Ed says that he has almost forgot how a fish looks when being pulled from the water, since he has been playing golf.

Last year when Vince Reeves and other notables of the golfing circles of our fair city persuaded Ed to swat a golf ball for "fun," Ed was on his way to the creek. After the first swing of the club, he has never touched a fishing line since. Little did those who enticed Mickie into trying his hand at the executives game, imagine that they were starting on the road to success and fame another "Bobby Jones."

When mother was a girl she pushed an iron all day in the kitchen the next day after the family washing was done, but now daughter swings an iron on the golf links all day.

Another thing that is a big puzzle is why more Scotchmen don't leave Scotland to settle down in the Irish Free State.

"If the fellow that invented unbreakable watch crystals would only try his hand at the same kind of bank accounts, we'd feel that prosperity would soon return," declared Farmer Hogfissel. He continues by saying, "in the meantime the Democrats don't get anything out of the postoffice but mail these days . . . and I wonder if it wouldn't be possible to get

some of the wall street boys to water the stock where the drought has been felt."

Wanted: A free golf instructor, by a lady who wants to learn the game. Apply at the Randall county capitol building. (Scotch adv. l. e. free).

This office force has been disrupted for the last week. A fortune teller hit town and of course you can guess that Susie knows all about the rest of the bright and shining future which lies ahead of her.

In all the time she has been consulting the people of black magic she says that none of them have told of the bad things which might happen.

The promising young attorney-to-be of our city has been questioning me lately regarding all of the excitement that I hear or see. I wonder if he is using my knowledge to gain business for his own good. Tsh! Tsh! J. D.

Will you have to start from the beginning again . . . and save and save for a home? Or will the fire insurance companies cheerfully and promptly assume all losses?

"S.S.S. gave me NEW STRENGTH —I NOW FEEL FINE"

Miss Pulliam

Miss Lottie Bell Pulliam, Knoxville, Tenn., writes: "My appetite was poor. I had lost weight—was nervous and could not sleep well at night. In my rundown condition even my joints ached. I took seven large size bottles of S.S.S. It greatly improved my condition. My appetite picked up. My weight was restored and I now feel fine—in fact, I feel like a new person. S.S.S. is a splendid blood tonic and I recommend it to my friends. My mother also took S.S.S. and it renewed her strength." You, too, will want to take S.S.S. Select the larger size as it holds double the quantity and represents a price saving. © S.S.S. Co.

Mrs. John Fry and Mrs. T. M. Moore Are Popular Hostesses During Week

Though Old Sol has persistently refused to show his face for any length of time these past few days, social affairs continue to grow and to be well attended.

Notable among the hostesses of the week are Mrs. John Fry and Mrs. T. M. Moore who entertained with a series of lovely parties at the home of Mrs. Fry, 2002 Sixth avenue. Tulips and pansies graced the entertaining suite on each occasion and added to the attractiveness of the environment.

As You Like It

The members of the As You Like It club were entertained with bridge Thursday afternoon. At the end of the play ice cream and angel food cake were served to the guests.

Those present were: Mrs. William Ash, Mrs. L. Angel, Mrs. Harris M. Cook, Mrs. C. R. Flesher, Mrs. Clyde McElroy, Mrs. N. E. McIntire, Mrs. F. E. Savage, Mrs. Dan K. Usery, Mrs. Owen Williams, Mrs. Earl Robbins, Mrs. C. M. Dowlen, and Mrs. W. N. Anderson.

Bridge Is Enjoyed

Bridge was selected by the hostess as the diversion for the delightful affair Thursday evening. An apricot ice with angel food cake was served at the refreshment hour.

Seated for the games were: Miss Jean Moore, Miss Agnes Charleton, Miss Cleo Holmes, Miss Edna Graham, Miss Anna I. Hibbits, Miss Ima Barlow, Miss Marian Normington, Miss Tennessee Malone, Mrs. Laura Saunders, Mrs. Tommie Montfort, Miss Helen White Moore, Miss Irene Angel, Miss Alice Dawes, Miss Margaret Justice, Miss Elizabeth Cox, Miss Mattie Swain, Mrs. Sue Donald, Miss Miltia Hill, Miss Corella Nuzum, Miss Linnie Babston, Mrs. T. H. McDonald, Miss Mary Adaline Lamb, Miss Jennie C. Ritchie, and Mrs. Travis Shaw.

Five Tables

Five tables were placed for bridge Friday and following an afternoon of spirited play a tasty salad course was served to the guests.

Those attending were: Mrs. J. M. Lybrand, Mrs. Ray McReynolds, Mrs. Claude Reeds, Mrs. Dan Sanders, Mrs. Clarence Reeds, Mrs. Clarence Thompson, Mrs. Flanigan Smith, Mrs. C. W. Batchelder, Mrs. Bill Black, Mrs. Ray Campbell, Mrs. J. Madison Daugherty, Mrs.

Floyd Dunnaway, Mrs. G. A. Farlow, Mrs. Guy Harp, Mrs. J. W. Kleinschmidt, Mrs. T. H. Knighton, Mrs. M. L. Saddoris, Mrs. J. L. Dufloet and Mrs. Felix Neff.

Monday Afternoon

A gay group assembled at the home of Mrs. Fry Monday afternoon and enjoyed an afternoon of bridge, with Mrs. Fry and Mrs. Moore again as hostesses.

Seated for the games were: Mrs. L. F. Sheffy, Mrs. L. A. Osgood, Mrs. William Ash, Mrs. W. A. Warren, Mrs. A. H. Bryant, Mrs. C. H. Jarrett, Mrs. C. N. Harrison, Mrs. C. R. Flesher, Mrs. Wallace R. Clark, Mrs. C. R. Burrow, Mrs. N. E. McIntire, Mrs. Clyde McElroy, Mrs. B. A. Stafford, Mrs. Dan K. Usery, Mrs. J. W. Shanklin, Mrs. D. A. Shirley, Mrs. Annie V. McCarty, Miss Nora McCarty, Mrs. L. Angel, Mrs. Joe Gamble, Mrs. R. P. Jarrett, Mrs. Oscar Gamble, Mrs. R. A. Terrill, and Mrs. Earl Robbins.

Forty-Two

Mrs. Fry and Mrs. Moore entertained a number of their friends with forty-two Monday evening and at the conclusion of the games served a dainty salad course.

Among those present were: Mr. and Mrs. L. G. Allen, Mr. and Mrs. F. E. Savage, Mr. and Mrs. John S. Humphreys, Mr. and Mrs. W. C. Kunze, Mr. and Mrs. L. S. Baker, Mr. and Mrs. S. H. Condrion, Mr. and Mrs. Harris M. Cook, Mr. and Mrs. Frank Phillips, Mr. and Mrs. T. B. McCarter, Mr. and Mrs. C. A. Murray, Mr. and Mrs. W. H. Upchurch, Mrs. J. A. Hill, Mrs. Elizabeth Chandler, Miss Pearl Black, Dr. D. M. Stewart, Mr. Fry and Mr. Moore.

MRS. STRATTON HONORS HUSBAND ON BIRTHDAY

Mrs. Charles Stratton entertained Sunday at her home, 1709 Eighth avenue, with a surprise dinner honoring her husband on his birthday anniversary.

Other guests present included: Mr. and Mrs. Bob Stratton, Doris and John Stratton, Mr. and Mrs. E. C. Hawes, J. C. Baker and Ella Mae Cumby of Plainview.

Mrs. C. B. Shepherd, accompanied by her son, Eugene and Robert, visited over the week end with Mr. Shepherd here. Mrs. Shepherd is a teacher at Plemons.

MRS. CONDRION AND MRS. SAVAGE ENTERTAIN

A profusion of spring blossoms in harmonizing vases and baskets adorned the reception suite of the home of Mrs. S. H. Condrion, 1901 Sixth avenue, when Mrs. Condrion and Mrs. F. E. Savage were hostesses to a number of their friends yesterday afternoon and again this afternoon.

The game accessories at tables placed for bridge pleasingly developed the spring motif. At the conclusion of the play a refreshing dessert course of strawberries with whipped cream, angel food cake and iced tea was served by the hostesses.

Wednesday Afternoon

Those present Wednesday afternoon included the following names: Mrs. L. G. Allen, Mrs. Harris M. Cook, Mrs. Albert Barnett, Mrs. J. L. Dufloet, Mrs. T. B. McCarter, Mrs. Ray Campbell, Mrs. J. W. MARCH HONOR ROLL GIVEN

During the month of March 96 cows of the Randall County Herd Improvement Association qualified for the honor roll of the association. This is the largest group of cows to attain the standards set for the honor roll list, since the association was organized early last summer.

A grade Holstein cow from the herd of J. W. Watson topped the

list with a production of 78.1 pounds of butterfat for the month. This cow also proved to be the highest producer of milk, giving a total of 1953 pounds.

Cows placing on the roll were from 19 herds in the association. Fourteen cows from the H. R. Fulton herd was the largest number of cows from a single herd in the group.

Fairview Breezes

The weather has been threatening the past week, but we've never got any rain yet, although we need some.

Misses Marie Patterson and Iva Lee James spent Thursday night with Miss Irene Wesley.

The singing at G. E. Wesley's Sunday night was well attended and every one seemed to be ready to sing, so therefore we had a real good singing.

Mrs. J. W. Wesley, who has been staying at Happy and spending her

daughter, Miss Othell to school, has moved back to the farm. Othell will spend the other three weeks with her cousin, Inez Wesley and go with her.

A number from this community and also from Happy spent Sunday picnicing in the canyons.

The party Saturday night at Mr. Patterson's in honor of Miss Othell Wesley's birthday was enjoyed by a large crowd.

Opal Sutton spent Saturday night with Mrs. W. M. Kinsey.

Misses Blanch Speer and Roberta Orndal of Happy spent the week end with Miss Othell Wesley.

THE EAGLE'S TALE

VOLUME NO. 5

CANYON, TEXAS, APRIL 30, 1931.

NUMBER 31

Cactus and Sharpie will not be out for spring football. Cactus graduates and Sharpie is too sensible.

Some thirty-five boys reported for spring football (decluding a few) Monday, April 27. There was some big guys, small boys, and a few men, including the water boy. Prospects could be worse, according to Cactus. Sharpie says he can't see how. All joking aside, the prospects are much better than last year.

The probable team will be, subject to new men, etc., etc.: "Bull-dog" Tucker, full; "Ball-Toter" Burkan, quarter; "Little Man" Pearson, right half; "Sissy" Elliston, left half; "Spider Wiggins," left end; "Big Jake" Beard, left tackle; "Shorty" Bell, left guard; "Taylorville" Taylor, center; Owen Miller, right guard; "Sheik" Wright, right tackle, and "Lefty" Thomas, right end.

This squad has had one year's experience and there will be some "mighty" good night games next season.

Junior-Senior Banquet Held Wednes. Night

The annual Junior-Senior banquet was held at the Methodist church Wednesday night at 8:00 o'clock. About eighty juniors and seniors attended.

Mr. Carruth gave a brief talk on the purpose of the annual affair. Willard Middleton, president of the junior class, gave a toast to the seniors which was answered by Nancy Strain, the senior president.

The menu consisted of strawberries in powdered sugar heaps, fried chicken, creamed new potatoes, baked apple, hot rolls and butter, green beans, vegetable salad, cherry a la mode, coffee, mints and nuts. Lillabeth Burroughs gave two pieces on the piano.

Music was furnished by The Moonlight Masqueraders.

Chapel

Last Thursday's chapel, which was in charge of the girls' Physical Education classes, was as follows:

"The Sailors' Hornpipe Dance," by Louise Solomon, Maudeana Bishop, Margaret Keirsey and Elizabeth Faulkner, tapping by Al Sparkman and Eulalie Moore; a demonstration of class work led by Clara Saunders, and a take-off on an imaginary physical education class of the teachers of C. H. S.

Most of the most outstanding impersonations were: Virginia Burkan as Superintendent Carruth; Zudie Mae Bible as Mr. Fox; Martha Ann Keirsey as Miss Rush, and Maxine Wallace as Coach Brady, the instructor. Everyone acted their parts well, and the whole program was enjoyed by all.

One death in every nine is the result of an accident which means that one-ninth of the lives lost could be saved if people were a little more careful.

C.H.S. Net Men To Have Post Season Games

The C. H. S. tennis squad has had quite a successful season. Usually the district tourney marks the end of the trail, but this year Principal McDonald is scheduling several post season matches which will be announced later.

The people so far recommended for letters are Clarence Wooten, boys' singles; Mary Orton, girls' singles; Billie and Arthur Robinson, boys' doubles, and Orlene Gunter and Amogene Fowler, girls' doubles.

In the district meet the C. H. S. men had hard luck in that they each drew someone who placed in the tournament. The boys' doubles won one match only to be defeated by Perryton who went to the semi-finals.

The boys' singles was downed by White Deer, who won second. The girls' doubles were defeated by Panhandle, the second place winners. Mary Orton, girls' singles, went to the semi-finals to be defeated by Amarillo who won the tourney.

C. H. S. TALKIES

The C. H. S. Talkies had their regular business meeting Tuesday. After business was discussed, D. B. Pearson and Rosa Cash gave their declarations which they later presented in the Interscholastic tournament.

S. P. Q. R.

As a means of clearing its debts made recently by attending the West Texas Latin tournament at Lubbock, the S. P. Q. R. sold tickets for the talkie production, "East Lynne." This picture was shown at the Olympic theater April 19, 20 and 21.

"The Country Cousin" To Be Presented Soon

The Senior class play, "The Country Cousin," is progressing rapidly. It is to be presented Friday, May 8, at 8:00 o'clock, in the High School auditorium.

The story is about a girl raised in the country who goes to live with her father, a gay man who divorced his wife. He promises to show the girl the high lights of society, but when the mother and the country cousin hear that she is likely to marry George III, an Englishman who has no showing of brains, the country cousin comes to the rescue and takes her back to Sam Wilson, who is sure that he is a senator in the making.

Tickets are on sale for 25c and 35c.

Classes

SENIOR

In the Senior class meeting on April 22, Mrs. Brady extended the invitation to all Seniors to be present at the Junior-Senior banquet to be held Wednesday, April 29, at the Methodist church.

As the Seniors had not had any formal parties, Hosea Foster made the motion that we have a dinner at El Taos at some future date. This motion was favored by all.

Mrs. Carruth asked that the dinner not interfere with the Junior-Senior banquet. After discussing the matter, it was decided to have the dinner Friday. Herbert Slack was elected chairman of transportation committee, and Hosea Foster was to make the reservations at El Taos.

JUNIOR

Financial problems were brought up for discussion before the Junior class Wednesday, April 22.

The class was called to order by President Middleton. Secretary Autis Bell read the minutes of the last meeting. It was decided for each member of the class to bring either 20c or two rolls of crepe paper to decorate for the Junior and Senior banquet to be held in the Methodist church Wednesday evening, April 29, at 8:00 o'clock. Every member of the Junior and Senior classes is requested to be present.

At the regular Home Room period Monday, both Junior rooms met in the auditorium to hold another class meeting. Mrs. Brady, the Junior sponsor, told us that each plate at the banquet would cost 75c. A program committee and a decorating committee were appointed to meet at the church Tuesday afternoon to arrange the tables and decorate for the banquet. Mr. Carruth gave a talk on class interest and donated one dollar to the class for decorations.

The Sophomore class held its regular meeting Wednesday. After the roll was called and the min-

Track Season Is Closed Successfully

Canyon High School did produce a track team this year. The C. H. S. representatives placed sixth out of twenty-two entries in the Interscholastic meet held Friday and Saturday, April 24-25.

Tucker, C. H. S.'s best track man, earned a trip to Austin by placing second in the 440-yard dash, being beaten only by Caldwell of Farwell. Caldwell was Farwell's representative to state meet last year. It is sincerely hoped that Tucker defeats Caldwell at the state meet held May 8 and 9.

Jimmie Burkan, representing C. H. S. in the 220-yard dash, placed fourth.

Middleton, running the 880-yard dash or half mile, placed fourth. Taylor, the mile "hoss," wearing Canyon High's purple and white, placed fourth.

The second place won by Tucker and the remaining fourth places made a total of seven points, or sixth place in the entire meet.

utes read, a program of different phonograph selections was given.

FRESHMAN

A Freshman class meeting was held Wednesday, April 22, on the regular class meeting day. The entire period was taken up with discussion on methods of raising money. The class decided to sell candy.

There are tricks in every trade, but it isn't tricks that win out in the long run.

Savage to Give Commencement Address Here

Mr. F. E. Savage, director of the Training School of the College, will give the graduation address for the Seventh Grade class of Canyon Public Schools, Wednesday night, May 13.

Mr. Savage has been a resident of Canyon for a number of years and is well known by the Canyon people.

EDITORIAL

WHY GO TO COLLEGE?

Are you going to college? A large per cent of high school students do go to college after graduation. We have all been told that the common sense thing to do is to get an education; nevertheless, there is often in the mind of the high school student the question, why?

Men who have made a study of human beings tell us that all persons are not born equal because some are born with more brains than others. They say that no amount of education can increase this natural endowment and lack of training cannot decrease it. Therefore, they claim, if a person has the requirements and qualities of success in him nothing can prevent his advancement. In trying to prove this argument men point to the self-made men of the business world.

Many of the rich and successful men of today really do not have much education, but because they know the risks they ran to get where they are, they advise beginners not to do as they have done.

Thousands of men have failed under the same or similar circumstances that a few succeeded under. The educated men encourage young people to have several years in college, because there one may specialize in whatever line he wishes. The main thing is to know what one wishes to specialize in, what one wishes from a college education.

A larger per cent of graduates from most schools are enabled to attend college because of the fact that they live in a town where a college is located. This added opportunity is an added responsibility because opportunity calls for results. People who attend college should give more to the world than those who cannot. The person with an aim from the first day of college, one who begins with a purpose, is the one whose college training will give results. That aim and purpose can be obtained if each student answers this one question: What do I intend to receive from a college education?

COLORFUL PAGEANT SPONSORED BY DEPARTMENT OF PHYSICAL EDUCATION WILL BE MAY 18

Dance Program Will Furnish Great Variety of Entertainment; Pageant is Called "A Bit o' This and a Bit o' That."

The May Pageant presented annually by the physical education department is to be on May 18 this year, and is a pageant entitled "A Bit o' This and a Bit o' That." It is under the direction of Miss Ruth Cross and Mrs. Wallace O'Keefe, who report that preparations are progressing at a rapid pace.

The program is to be divided into five parts, and contains a variety of amusements. As is always the case in the May Pageant, vivacity and color, both in costume and dance, will be the outstanding features of the entertainment.

The first scene opens in the ballroom of an old mansion. The couples, dressed in colonial costumes, are gracefully dancing the polka and waltz steps so popular in grandmother's day.

The next scene portrays the interior of a sculptor's studio. Here one finds an exhibit of various models, such as Pierre and Pierrot, the Dancing Doll, the Wooden Soldiers, and Crazy Cat, along with a whole football team composed of beautiful co-eds who can "hold

that line" and carry the ball for a touchdown!

In scene three, the audience will be carried back to the days of fairies. Wood fairies and nymphs dance under the shades of green trees.

The next is a novelty scene consisting of several numbers, two of which are the Broadway Chorus Beauties, and the brilliant Aviation Chorus. But these are nothing to compare with the Western Cowgirls, who make the scene complete with an exhibition of their knowledge of real western life.

In scene five wash day in Mammy's backyard "way down in the South" is discovered. Mammy is scrubbing diligently over the wash tub, while Pappy is content to smoke his corn-cob pipe. With much scuffling, laughing, and merry shouting, the "chillun" come home from school, each full of peppy nonsense. These happy-go-lucky folk are joined by the dudes of the town, and the whole group stage a "surplus energy" dance which will undoubtedly keep the audience tapping. While the dance is in progress, some "white folks" enter, and Pappy suggests that they join in the chorus.

The program will last about an hour and a half. Further announcements will be made in The Prairie.

The man with a cool head, a ruly tongue, and good health can look the world in the face and dare it to do its worst.

Some folks are so suspicious that they won't trust anyone, except those who are too ignorant to deceive them.

Money making is easy; making more money is the hard thing to do.

It's too often the case that all the world loves a lover except the one who should.

Dean Jarrett Will Help Edit Peabody College "Reflector"

Recently Dean R. P. Jarrett has been asked to become an associate editor of the Peabody Reflector and Alumni News for the coming year, by the officials on that publication in the George Peabody College for Teachers. Dean Jarrett is a graduate of Peabody.

In the communication which told him of his election to this position, J. E. Windrow, Alumni secretary of the institution, says, "We are anxious as time goes on to make the Peabody Reflector and Alumni News of increasing service to its expanding list of subscribers, most of whom are directly or indirectly interested in classroom teaching."

"There is no phase of education that so nearly affects all of its workers as classroom teaching, and there has seemed during the past two decades a tendency to get away from the actual teaching process. We are therefore, particularly anxious to get articles which describe studies in teaching and which are concerned with the basic principles of teaching, as well as those dealing with quantitative research. . . . Articles dealing with classroom teaching in the elementary school, the secondary school, and the college are desired."

Dean Jarrett's appointment to this position will be announced in the next issue of the publication, which is now about to go to press.

Ruth Wiseman Will Represent W. T. At C. of C. Convention

Under the direction of the Students' Council, Ruth Wiseman was elected from the student body Thursday to represent W. T. at the Thirteenth Annual Convention of the West Texas Chamber of Commerce to be held at Lubbock on May 14, 15 and 16.

Each of the twenty-seven colleges located in the area of the West Texas Chamber of Commerce have been asked to select a young lady to represent it in the pageant to be given at the convention Friday evening, May 15, on the athletic field of the Texas Technological College. A general practice will be held on Thursday evening, May 14, at 7:00 o'clock, on this field, and it is hoped by the officials there that all of the colleges will be represented by that time.

The pageant to be presented will deal with the development of West Texas and is called "The Spirit of Progress." The young ladies who will participate will wear the baccalaureate cap and gown, and will form the Court of Education.

Miss Wiseman will leave W. T. in time to be present at the rehearsal Thursday.

Helen White Moore Will Tour Europe

Plans are being made by Helen White Moore, English teacher in W. T. Demonstration high school, to spend her next summer vacation traveling in Europe.

Leaving near June 1, Miss Moore will visit several days in New York state before sailing from Montreal, Canada, on June 19. She will land in Glasgow, Scotland, from whence she will motor through Scotland and England. She will also visit Belgium, France, Germany, Holland, Austria, Italy, and Switzerland, according to present plans, spending the greater part of her time in Italy.

On the return trip Miss Moore will sail from Cherbourg, France, about September 2, and will land in Montreal near September 8. More definite plans have not as yet been made for the itinerary.

Miss Moore's trip will add another to the list of W. T. teachers who have traveled on the Old Continent.

Twenty-five Enroll for Six-Weeks' Course

Twenty-five new students have enrolled in the ten courses offered

for the spring quarter six-weeks' term which began April 20. Many of these students plan to remain throughout the summer term also.

Teachers whose schools closed at the end of eight months make up the majority of those who have entered the six-weeks' courses. Work in these ten subjects, agriculture, art, education, English, geography, history, Spanish, sociology, textiles, and government is being offered. Students interested in other courses than these should see Dean R. P. Jarrett about their organization. Extra periods may be arranged by consultation with the teacher in charge of the division of work desired.

Great Plains—

(Continued from first page)
season the Christians have set a pace that is hard for other teams to follow. They presented a two-mile relay team that ran the race in seven minutes, 54.5 seconds at the Kansas and Drake relays, setting a new mark for the University class record for the K. U. relays.

This fast team, together with the other stars, will make the A. C. C. crew potential contenders for first place in the Great Plains meet.

When the squad from the Oklahoma Central Teachers College arrives, one of the best balanced teams ever produced by that college will be seen. The Central stars give promise to be strong contenders with A. C. C. in the mile and two-mile events. John Swofford, who now holds the Great Plains record in the javelin with a heave of 178 feet, 6 inches, will be here to defend his record. He is said to be hurling the shaft better than 190 feet this year and should set up a new record.

Although the high school division of the Great Plains meet has been dropped from the program this year, a triangular meet between three Panhandle high schools, Amarillo, Pampa and Memphis, will be held Saturday afternoon. This is to be more or less a private affair, but no high school will be barred. In all probability, Caldwell of Farwell and Windom of Spearman, who stood out in the district meet here last week, will enter the grudge affair.

The program for the meet is as follows:

9 a. m., Friday—Tennis matches on the West Texas College courts.

10 a. m., Saturday—Preliminaries in the college division, field and track events. (Buffalo stadium.)

2 p. m., Saturday—Triangular meet, high school division, between Amarillo, Memphis and Pampa. (Buffalo stadium.)

8 p. m., Saturday (under flood lights)—Finals in the college division, field and track events. (Buffalo stadium.)

If people would not say what they say, for the want of something better to say, how much happier the world would be.
